

Not a Safe Cure for Constipation

FIRST BOTTLE FREE.

Constipation is a dangerous disease. It causes indigestion, dizziness, lung, liver and kidney disorders, makes bad blood and will undermine the strongest constitution. Nothing will pull you down quicker than constipation.

Neither pills nor any physic will cure, and they are dangerous. You know this by experience. Mull's Grape Tonic never fails to make a cure. It is not a physic. No watery and unsatisfactory stools that weaken and make you worse when you use this great remedy.

Mull's Grape Tonic is a soothing remedy which exerts a strengthening and stimulating influence over the muscles and organs of the alimentary tube. Constipation means that the food is not properly rotted and fermenting in the alimentary canal. From this food mass there arise foul odors that enter the blood, and the blood, causing bad health. Remove this and you will be well. Mull's Grape Tonic cures.

If you are constipated, we want you to accept our free offer of a bottle. We give it unconditionally to any person who has not used Mull's Grape Tonic. We know Mull's Grape Tonic will cure you, and are willing to give you the first bottle to prove it. Send your name on this coupon, and it may not appear again.

FREE COUPON

Send this coupon to Mull's Grape Tonic Co., 1732 Ave. B, Rock Island, Ill., and receive at once a bottle of Mull's Grape Tonic.

**BROUGHT HIS MINISTER
ALONG AND WAS MARRIED.**

Doctor Lanier Quietly Wedded at Southern Hotel to Miss Stroud.

The friends of Mrs. Annie Stroud, a daughter of Mr. and Mrs. H. L. Stroud, of No. 1216 Vernon avenue, were greatly surprised yesterday to learn that she was secretly married to Dr. H. L. Lanier, a young physician of Martinsburg, Mo., last Saturday afternoon at the Southern Hotel.

By a little piece of strategy Doctor Lanier obtained the hand of St. Louis bride a month before the date set for the formal wedding. The wedding was a very quiet affair, and the only persons who were informed that it was to take place.

Doctor Lanier came to St. Louis from Martinsburg early Saturday morning and engaged rooms at the Southern Hotel. He told the clerk that he was going to be married sometime during the day, but refused to give the name of the bride. About 4 o'clock in the afternoon Doctor Lanier called on Miss Stroud, who was at the hotel, and they were quietly married by a Methodist minister, whom Doctor Lanier had brought with him from Martinsburg.

Doctor Lanier is a graduate of a Canadian medical college several years ago and has been practicing medicine in Martinsburg, Mo., since he completed a postgraduate course at the University of Chicago. He is a member of the American Medical Association and the Missouri Medical Association.

KOHLER: On Sunday, April 3, at 2 p. m., at 10:30 a. m., the beloved daughter of Stephen and Mary Kohler, aged 20 years.

Funeral will take place from family residence, No. 414 South Olive avenue, Tuesday, April 4, at 8 a. m. to St. Malachy's Church, thence to Calvary cemetery. Friends invited to attend.

MEALING: Entered into rest on Monday, April 3, at 10:30 a. m., the beloved daughter of Thomas J. and Marie McAlister, aged 10 months and 10 days.

Funeral will take place Tuesday, April 4, at 2 p. m. from family residence, 210 North Sixth street, at 2 p. m. to St. Anthony's cemetery. Friends invited to attend.

WHITMAN: On Saturday evening, April 1, 1905, at her home, No. 426 Belmont boulevard, the beloved daughter of Mr. and Mrs. J. H. Whitman, aged 10 months and 10 days.

FORTY LIVES LOST IN MINE DISASTER AT ZEIGLER, ILL.

Explosion of Accumulated Gas in Main Shaft Wrecks Mine and Entombs Nearly Fifty Miners Who Have Just Descended for Day's Work—Rescue Much Retarded on Account of Foul Odors, and Only Fifteen Bodies Are Recovered—Coroner Begins Investigation.

INDIGNATION EXPRESSED ON ACCOUNT OF LONG STRIKE.

REPUBLIC SPECIAL.
Duquoin, Ill., April 3.—Forty men are dead and many more injured as the result of a gas explosion in the Zeigler coal mine at 7 o'clock this morning.

Fifteen of the entombed bodies had been recovered at 10 o'clock to-night. The rescue work is much retarded on account of the noxious gases, which endanger the lives of the rescuers. Work will be continued all night.

The supply of coffins has run out here and twenty more were ordered by telegram from St. Louis to-night.

GAS ACCUMULATES.
The explosion is thought to have been due to the fact that the Zeigler mines are not worked on Sunday, thus allowing gas to accumulate in the lower workings.

When between thirty-five and forty-five miners had descended into the mine to-day to resume work a terrific explosion blew the timbers about the mouth of the mine high into the air. One of the steel gages was blown to the surface from the bottom of a 500-foot shaft. The shock of the explosion was felt at Benton, twelve miles distant.

RESCUE WORK.
One miner was killed and four were severely injured at the mouth of the shaft in which the explosion occurred. The work of rescue was begun at once by miners who were arriving when the explosion took place, but the main shaft was demolished so that rescue work has to be carried on through the air shaft.

This has hindered the work of saving the entombed men to such an extent that when darkness fell to-night only three bodies had been brought to the surface. These bodies were found forty feet from the bottom of the air shaft, and this is as far as the rescuers have been able to penetrate the shaft. Twelve others were taken out after darkness fell.

The work of rescue is made very difficult and dangerous by the foulness of the air in the mine. Only two of the bodies found show marks of the explosion, death in the other cases having evidently resulted from asphyxiation.

Joseph Leiter is expected to reach Zeigler to-night, although it was at first reported that he was en route to Europe. Rescue work will continue all night.

AID REFUSED.
A committee of union miners from Duquoin and other neighboring mining towns, headed by District President Morris, hastened to Zeigler soon after the explosion occurred and offered their aid, but the mine owners refused it.

ALEXANDER DECLARES HYDE EXCEEDED HIS AUTHORITY

President of the Equitable Says Vice President Usurped His Prerogatives, and Habitually Acted Without the Consent or Knowledge of His Chief—Trustees of Stock Left by Founder Had No Power to Vote It Except for Persons Indorsed by Young Millionaire—No Coterie Formed With Object of Gaining Control of Society's Affairs.

New York, April 3.—The most important development in the Equitable Life Assurance Society's affairs to-day was the announcement to-night by Governor Higgins at Albany and by President James W. Alexander of the society in this city that the State Superintendent of Insurance, Francis Hendricks, had begun an investigation of the company's affairs.

This was followed by the introduction in the State Senate to-night of a resolution providing for a legislative investigation of the Equitable. The resolution was presented by Senator Brackett.

Mr. Hendricks returned to Albany last night after several days spent in conference with those interested in Equitable matters in this city. The Governor's announcement came less than twelve hours after the superintendent had reached his Albany office, and was followed by a formal announcement from Mr. Hendricks's office in this city to-night of the same effect.

This action by the State authorities followed a request by Mr. Alexander to Superintendent Hendricks by letter, February 21, and by Mr. Hyde in a later letter, announcement of which was made last Saturday night.

In an authorized statement to-night, the first Mr. Alexander has made since the State Superintendent was called into the controversy, the president of the Equitable says that the investigation by Mr. Hendricks "is now in progress."

"Its result," he adds, "will establish the truth or falsity of many matters, which are now being alleged on the one hand and controverted on the other."

He also takes occasion to deny some of the statements made formally by Mr. Hyde last Saturday night.

WOULD AVOID DISCUSSION.
Alexander's statement follows: "It has been my settled purpose to avoid, as far as possible, a discussion in the public press of the merits of any phase of the controversy now existing within the Equitable Life Assurance Society. It is properly a matter of concern with me to avoid any expression which will embarrass the Board of Directors in the discharge of its duties, or that will give rise to premature judgments on any point."

Rheumatism
Is one of the constitutional diseases. It manifests itself in local aches and pains, inflamed joints and stiff muscles, but it cannot be cured by local applications. It requires constitutional treatment acting through the blood, and the best is a course of the great medicine

Hood's Sarsaparilla
which has permanently cured thousands of cases.

RAILROADS ST. LOUIS-CHICAGO LINE FOR BIG FOUR

Secret Surveys Have Been Completed for Direct Route and Work on Right of Way Will Soon Begin.

REPUBLIC SPECIAL.
Chicago, April 3.—The Big Four Railroad is to have a direct Chicago-St. Louis line. Preparations secretly have been in progress several months. Plans have now been completed, the surveys have been made, and it is understood that right of way has been purchased, so that work will begin within a few weeks.

The new line is to be built from Danville straight through to Indiana Harbor, crossing the Indianapolis line at St. Ann. By taking this route the Big Four will parallel the tracks of the Eastern Illinois from Danville to Chicago. From Indiana Harbor the road will use the tracks of the Lake Shore, entering the Van Buren street yard of the Illinois Central.

The cut-off will be 15 miles long. Under present conditions the Big Four practically is shut out of Chicago-St. Louis business on account of having to go through Terre Haute and Indianapolis in order to get from one city to the other.

BURLINGTON AND C. & A.
MAY SETTLE DIFFERENCE.
It is believed that the disagreement between the Chicago and Alton and the Burlington over the use of the cut-off between Madison and Old Monroe for joint freight traffic has been settled.

While a statement has never been issued as to the cause of this trouble, yet for a considerable period the Alton has not used the cut-off line, and it is supposed that the companies could never come to terms.

The agreement by which both lines use the cut-off for passenger service between St. Louis and Kansas City has never been disturbed.

For the first time for several months an Alton freight train passed over the cut-off between Madison and Old Monroe. A statement from officials, leads to the belief that the joint freight service will be resumed at an early date, if not at once.

**NO CALL FOR ASSISTANCE
RECEIVED AT SPRINGFIELD.**

REPUBLIC SPECIAL.
Springfield, Ill., April 2.—Governor Deussen has received no request for aid from the Zeigler mines. Admittance to the mine is refused by the mine owners.

Sheriff Rich asking the cause of the accident and the number of dead. This afternoon, reply was received which stated that a gas explosion occurred at an early hour and thirty men were killed. The message also stated that the mine was wrecked.

INTERESTS HOPEFUL.
May Still Acquire Majority of Kansas City Southern Stock.
Kansas City, Mo., April 3.—Dutch interests in the Kansas City Southern Railway have not abandoned hope of a controlling majority of the stock, according to a statement made by a representative of the Dutch interests.

A. Pierson of Amsterdam, a personal representative of the Dutch interests, said that the Dutch interests have acquired a majority of the stock, and that they will use their power to secure the independent management, and will not lease it to any other line. Furthermore, they will spend money to improve the system, especially in regard to freight facilities. It all depends on the meeting to be held May 10.

Woman Elected President of Road.
St. Joseph, Mo., April 3.—The St. Joseph, Standberry and Northern Railroad Company, organized to build an electric line between St. Joseph and Standberry, Mo., was reorganized to-day, when Mrs. Alice M. Butler, the promoter of the line, was elected president, vice A. C. Bonham, treasurer, and J. E. Patton, secretary. The board of directors was also elected.

Katy Officials in Galveston.
Galveston, Tex., April 2.—President Finney of the Missouri, Kansas and Texas Railway Company, H. C. House, chairman of the board, and other prominent officials of the Katy system arrived here this afternoon. To-morrow they will attend the annual election of the directors, and will be accompanied by the board of directors and officers who will be elected.

Dupuy Leaves St. J. & G. I. R. R.
St. Joseph, Mo., April 2.—Raymond Dupuy, for five years vice president and general manager of the St. Joseph and Grand Island Railroad, has tendered his resignation to the board of directors, effective April 1. He has recommended J. R. Bennett, now superintendent, as his successor.

**Woman Asks Keely
FOR JOB AS DETECTIVE.**

The Reverend Father Solomon says the Keely Solvay Page Murder Mystery—Is Told to Keely.

Assistant Chief of Detectives Keely yesterday morning received the application of a woman who gave her name as the Reverend Father Solomon, for a position on the detective force.

The woman stated that she was a clairvoyant and palmist, and believed that she was qualified to solve the Keely Solvay Page Murder Mystery.

**KICKING MULE
CAUGHT BY RUSE**

Policeman and Householder
Have Exciting Time With
Comic Supplement "Maud's"
Prototype.

Policeman William Cullen of the Sixth District and Edward Farberhagen of No. 143 Fenmore street had an experience with a mule Sunday morning which reminded them of "Her Name Was Maud" in The Sunday Republic's comic section.

The long-eared animal is owned by James McMahon of No. 428 North Ninth street. She got out of McMahon's stable some time Saturday night and started on a tour of the neighborhood.

In Partemher's yard "Maud" saw some nice green grass that suited her fancy. She decided that it would go nicely for breakfast and began to eat it.

"Hee-haw, hee-haw," she brayed in delight as the delicious grass tickled her palate. Partemher was awakened by the unusual noise in his yard and went to investigate.

"Maud" displayed instantly a dislike for any person interfering with her breakfast. Partemher decided that the old mule, "He who fights and runs away will live to fight some other day," fitted the case, so he ran to the street and summoned policeman Cullen.

This brave bluecoat is one of the emergency specials, and would be delighted to hold his place on the force, as some of the specials will. Consequently, he boldly tackled "Maud."

Finally, Partemher, seeing that his own words about to be ruined, volunteered to approach the mule. It being understood that when she kicked at him, Cullen was to catch the halter strap that dangled at her front feet.

Looking around to see if a wheelbarrow was handy for a ride to the hospital, Partemher stepped up to the mule, "Maud," and held her head.

The policeman then walked the mule to the police station, where she remained until yesterday morning.
